ESCAPES DEATH IN GAS CELL

Government Printing Scandal Again Aired

CONGRESSIONAL PROBE IS ASKED BY REPUBLICAN

Sensational Charges Filed Against Treasury by Charles Brewer.

RECALL HARDING DISMISSALS

Department of Justice Attorney Gives Report To Coolidge.

WASHINGTON, Feb. 7.—The smouldering embers of the Bureau of Engraving controversy, which first blazed up two years ago with a wholesale dismissal of employees by President Harding, has again been fanned into flame.

Charles B. Brewer, Department of Justice attorney, who investigated charges of duplication of government securities, brought the case into the open today with the filing of sensational charges against the Treasury, and despite denials by Secretary Mellon and other officials that Brewer's allegations contained merit.

Representative Le Guard, Republican, New York, began steps by introducing a resolution to force a congressional inquiry.

The charges of Brewer were contained in a copy of a report he had sent previously to President Coolidge and Attorney General Daugherty, and were made public when they were attached as exhibits to an injunction suit filed here against government officials, who, Brewer said, were interfering with this inquiry.

They set forth that there had been duplications of bonds; that the Treasury had suppressed knowledge of them; that treasury officers had thwarted Brewer in his attempts to uncover the condition, and that duplications of bonds had been destroyed in the Treasury.

Secretary Mellon, on learning that Brewer's charges had been made public, said that for every bond issued, its face value had found its way into the treasury vaults. He added that there had been duplication of numbers, but there had been no loss to either the public or the government. He attributed the duplication of numbers to mechanical errors, which Brewer had said was not the case.

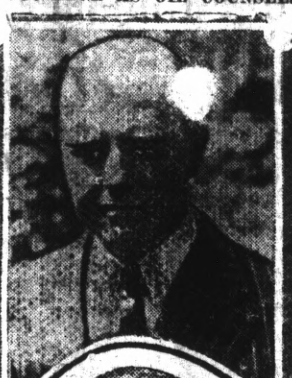

Brewer's charges have been known to treasury officials for many months and they said had been investigated and disproved. They included the assertion that a clique awayed the actions of the Treasury Department and that J. W. McCarter, former assistant registrar, had complained of being discharged for bringing complaint of the alleged irregularities to the notice of the treasury officials.

Jury Venire Is Drawn For Trial At Martinez

Venire of forty jurors was drawn yesterday in the court of Superior Judge A. B. McKenzie for the trial next Wednesday of Louis Grati on a charge of driving an automobile while intoxicated. Those subject to service are:

Betts, Henry M. Stearns, James C. Pope, Frank O. Bennett, and Jos. F. Smith.

SILAS STRAWN, ILLINOIS REPUBLICAN APPOINTED BY COOLIDGE AS OIL COUNSEL

Silas H. Strawn (upper), former president of the Illinois Bar Association and the Chicago Bar Association, was appointed, together with Thomas W. Gregory, Attorney General in the Cabinet of Woodrow Wilson, to investigate the Teapot Dome oil lease with a view to prosecuting those guilty be found.

Voters Urged To Register At Once

County Clerk J. H. Wells yesterday directed attention to municipal elections in all towns of the sixth class in the county on April 14 and urged that voters register before March 14, the final day on which they can register and be eligible to vote at the elections.

Pocahontas Lodge Initiates Nine

The Pocahontas lodge, Oneida Council No. 9, last night held in the Red Men's hall a regular meeting and initiation. Nine candidates were put through the work by the team of three being from Richmond and the other four from Berkeley.

Dr. Blake To Immunize Nicholl School Students

Continuing his extensive fight against diphtheria conditions in the county, Dr. C. R. Blake, of Richmond, county health officer, will give immunization treatments to children of the Nicholl school Monday morning. It was announced yesterday by Miss Rachel Miller, county school nurse, who will assist in the work. Hundreds of school children in various parts of the county have been given treatments by Dr. Blake in the last few months.

GIRL SHOTS FIANCEE THEN TAKES OWN LIFE

Mystery Shrouds Reason For Act; Couple Were Engaged To Wed.

EFFORTS TO SAVE YOUTH FAIL

Parents Unable To Explain Fatal Deed; Pair Were Unopposed.

SAN FRANCISCO, Feb. 7.—A tragedy of young love came to a climax early this morning beside the state highway near Redwood City. The body of a dead girl of 16 and an unconscious and dying boy of 20, both residents of San Francisco and engaged with the sanction of their parents, told all that is known of the story, except for a note found in the handbag carried by the girl.

This indicates that the girl, for some reason known only to herself, carried the revolver and did the shooting which resulted in the death of both. The boy died a few hours after reaching the hospital, without speaking.

John Radloff, 108 Clipper street, had left his home last night to take his sweetheart, Rose Della Nina, 4387 Twenty-fourth street, for an automobile ride, according to his custom. His father allowed him to use the family automobile on Wednesdays and Saturdays. He always came home early.

Mrs. Radloff set up all night long worrying over the absence of her son. This morning the dread message came, and she and her husband reached the Community Hospital at San Mateo as their son was dying.

Police Officer McAuliffe, and Woods of Redwood City noticed the automobile parked beside the highway a short distance north of the city limits shortly after 5 o'clock this morning. They investigated and found the two occupants in the back seat, the girl dead and the boy unconscious, both sitting upright. On the floor of the car was a revolver from which two shots had been fired.

The note in Della Nina's handbag established the fact that she had contemplated death before starting on the ride. It was written in a combination of Italian and Spanish and offered some difficulty to the translators. Beginning with "Caro Padre" (Dear Father), she expressed the wish that her engagement ring be changed to another finger and that her pearls and wrist watch be buried with her. There was no explanation of her motive, and her father knew of none. John Radloff had started on the fatal ride in a happy mood.

Fined \$500 Each On Liquor Charge

Police Judge C. A. Odell yesterday morning fined A. Shubart and G. Sindrich, both of East Richmond, \$500 each, when they pleaded guilty on charges of possession of intoxicating liquors. Commitment on \$250 was withheld. The men were taken into custody after a series of raids of local bootleggers last Wednesday night.

Mrs. Stefana Civetto, 444 B street, Rose M. Sammuel, 296 Garrard street, and Louis Agostini, 100 Macdonald avenue, who were all taken in Wednesday's swoop, appeared in court and pleaded guilty yesterday and will be sentenced this morning. The cases of Louis Banducci, 360 Enterprise street, Theodore Marcilio, 100 Macdonald avenue, and Pete Granzella, 43 First street, have not as yet been arranged. These men all plead not guilty to the charges.

House Falls; Barber Shop Patrons Flee

A rain-weakened foundation caused the collapse of the understructure of the house at 148 Standard Avenue, and fears of a new earthquake on the part of a half dozen patrons at a barber shop in the building early last night, according to a report made to the police station.

The house fell approximately three feet when the foundation collapsed, it was reported. The barber shop, run by S. Zullani, was well populated at the time. Water and gas pipes and electric light wires were broken, but prompt action prevented a fire.

Department Head To Speak At Legion Meeting

Department Adjutant Morgan Keaton of the American Legion, Department of California, will be guest of honor at the American Legion meeting of the Richmond post tonight, which will be held in the basement of the Elks' building. Keaton will outline the work that the Legion has accomplished in the last year and the program that is being made for this year. Keaton will be present by special invitation of the post.

After the regular meeting this evening a banquet will be served in the Elks' basement, which has been secured by the local Legion until the Memorial hall is completed.

Veterans of Richmond look forward to a bright evening as Keaton is one of the best versed men in the state on the problems that the Legion is facing, and the solutions that have been worked out to cope with them.

Many Pupils Take Diphtheria Toxin

Dr. C. R. Blake, city and county health officer, treated 189 school children yesterday morning with diphtheria immunization at the health clinic in the city hall. Despite the large number of school children turned up at the scheduled time as all except 15 were being given their second treatment of the process.

Next Saturday the children who have not received the treatment will be inoculated and the second treatment will be given to the others, according to the word given out by Dr. Blake yesterday.

Tuesday was scheduled by the health officer as the time for the remaining treatments, but on account of the day being a holiday, it has been postponed for a week.

Five Initiated By Junior Elks

Five men were initiated into the Junior Lodge of Elks last night at their regular meeting and initiation, which was held in the Elks' hall. The candidates were put through besides the ritual work a number of stunts which contributed to the joy of the meeting.

The work was carried out for the first time under the new officers who were elected a short time ago. They are as follows: Ralph Anderson, president; George Cornell, first vice-president; Frank Lohr, secretary, and Gay Vargas, treasurer.

JUNIOR ELK FIVE DEFEATS Y.M.C.A. QUINTET 24 TO 7

Lodge Team Scores Easy Victory Over Club Aggregation In One-Sided Game.

LOCALS TO MEET SACRAMENTO

Return Contest Will Be Played at Roosevelt Junior High February 16.

The Junior Elk basketball team literally swamped the Y. M. C. A. hoopers last night in a one-sided basketball contest which was played on the Roosevelt Junior high court. The Elks carried away the game by a score of 24 to 7.

Those who contributed to the big victory were as follows: Huseka, Chatterton and Healy, forwards; Collins, Campbell and Vargas, forwards, and Bonham, center.

The Elks quintet will meet the hoopers of the Sacramento De Molay in a return game the 18th of February at the Roosevelt Junior high gym. The local school boys defeated the Sacramento De Molay last Friday in the Capital city, and the team from Sacramento is coming down looking for a victory.

The 130's of the Junior Elks will meet the team from Martinez Junior Odd Fellows as a preliminary of the Sacramento game.

Over Half Inch Rain In 24 Hours

Farmers throughout the county are continuing to smile with the steady downpour of rain. Over half an inch fell between 8 o'clock Wednesday and the same hour Thursday morning, making the season's total 5.45.

Other depths reported up to 6 p. m. Wednesday night were: Eureka, .04; San Jose, .20; Red Bluff, .10; Sacramento, .34. Although the storm is credited with being one of the biggest in area to develop off shore this winter, it is unusually benign in aspect, bringing windless rains of the "soaking variety" to the large number of school children along the northern coast.

Snow was reported falling in the northern Sierras, with 8 inches for the storm at Summit, making a total depth of 36 inches at that point. Sacramento reported that the rain had continued unabated yesterday.

George H. Hecke, State Agricultural Director, made the following report: "With the steady rainfall in this section a serious situation has been averted in the livestock industry; agriculturists generally are immensely benefited and grain growers now have promise of a satisfactory harvest."

"More rain during the growing period of the grain is, of course, essential, but the prospects are immeasurably improved by the present downpour."

Richmond Boy Scouts Are Guests

'At Revival Meet'; Brown Speaks On "The Rich Young Ruler"

Richmond Boy Scouts were the guests of honor at John E. Brown evangelistic meeting last night. The scouts attended the meeting in a body and added a great deal of pep to the services with their songs and yells.

John Brown spoke on "The Rich Young Ruler" and his talk was applied to the youth of today. His talk was well given and was one that proved especially interesting to the youthful guests of honor. The ruler of the story was young, and his story was very instructive.

House Okehs Income Tax Reductions

WASHINGTON, Feb. 7.—The new revenue bill providing for a complete revision of Federal taxes and for a 25 per cent reduction in 1923 income taxes, was reported favorably to the House today by the Ways and Means committee. The vote was 15 to 3, eight of the eleven Democrats on the committee voting "present" with the announcement that they opposed income tax rates fixed by the Republicans in private on lines suggested by Secretary Mellon, but that they did not wish to delay reporting the bill.

Expresses Pleasure at Showing Made by Richmond Scouts

Waldo F. Postel, past pharaoh of the Richmond chapter of the Elks, was greatly impressed with the enthusiasm being shown in Richmond over the formation of a pyramid here, according to a letter received yesterday.

"I was delighted at the showing made by the Scouts in Richmond," Postel said. "There is no doubt but that you have a splendid pyramid. In San Francisco we will do everything we can to boost the celebration along on March 29th."

Tomorrow night Master Masons who have signed to join the pyramid, and others who contemplate joining, will meet at the Builders Exchange for the purpose of electing officers and naming committees to have charge of the big installation which will be held here in March.

Dr. Frazer Speaks At Moose Meeting

The Loyal Order of Moose, Richmond chapter No. 550, held its regular weekly meeting last night in the Moose hall. Several important questions were brought up during the course of the business meeting. After the regular meeting Dr. Frazer, of Richmond, gave a very interesting and instructive lecture on the Moose hall. This is the name given to the home and orphan asylum that the order supports at Aurora, Ill. Dr. Frazer illustrated his lecture with many beautiful slides, showing the life of the orphans and the buildings and grounds of the institution.

A musical program was given after the meeting by members of the lodge, and at the close of the evening a banquet was served.

pour. he rain means snow in the mountains, which is possibly the outstanding benefit of the storm. For this means that during the dry spells later in the year our northern rivers will carry an available flow for necessary irrigation."

NEVADA SLAYER GIVEN REPRIVE; CHINESE TO DIE

Sentence of Thomas Russell Is Changed To Life Imprisonment.

GOVERNOR CHANGES HIS VOTE

Gee John Alone Will Face Execution By Lethal Gas; Preparations Are Made.

CARSON CITY, Feb. 7.—The death sentence of Thomas Russell, condemned to die by gas, was commuted to life imprisonment by the board of pardons late today.

Governor Scruggs, who had steadfastly opposed leniency, changed his vote as a member of the board when new evidence was submitted by Russell's attorney. This raised a reasonable doubt that the murder of Mamie Johnson, the Indian girl, was premeditated, the governor said. In the final vote only Justice E. A. Ducker, chief justice of the Supreme Court, stood out for the death penalty.

CARSON CITY, Feb. 7.—"Rain and snow tomorrow." This forecast by the Weather Bureau tonight was viewed with alarm and may cut down the number of witnesses who desire to see Gee John and Thomas Russell die in the lethal chamber tomorrow morning. According to gas experts, fumes rising from the chamber might descend in wet weather instead of ascending, as they do when it is dry.

NEVADA STATE PENITENTIARY, CARSON CITY, Feb. 7.—Prisoners will "listen in" as death, stealing into the lethal chamber in a cloud of hydrocyanic gas tomorrow, claim a life, it plans outlined today by Warden Denver S. Dickinson are successful.

In the interests of penology throughout the world the warden hopes to clock the work of the grim reaper to the split second.

Dickinson is planning with medical men and his gas expert, E. B. Walker, to accomplish this by a stethoscope with a sufficiently long attachment to reach from the chest of the prisoner.

Many Ships Dock At Local Wharf

Many ships have docked or will dock at the local municipal wharf during the next few days, according to a report made yesterday by Harbor Master J. M. Misner.

S. S. Brookings of the McCormick S. S. Co. will take a cargo of cement this afternoon for northern ports.

S. S. Pennsylvania of the American-Hawaiian S. S. Co. will discharge a cargo here February 11th.

S. S. West Prospect of the Struthers and Barry Co. will take on a cargo for Oriental ports February 15th.

S. S. West Chapaya of the Struthers and Barry Co. will take on a cargo for Oriental ports Feb. 20.

S. S. McCormick of the McCormick S. S. Co. will discharge a cargo between Feb. 20 and 25th.

Pastors and church workers of the various churches in Richmond met last night and decided to meet Sunday morning at the Sunday schools at 9:45 o'clock and will march to the morning tabernacle meeting. John E. Brown has a special message to deliver Sunday morning, and all of the churches will attend his meeting. The church services will also be held at the tabernacle.

Plan Check-up On Weight Evasions By Truck Owners

SACRAMENTO, Feb. 7.—A sweeping order to all branches of the California Division of Motor Vehicles, providing for a statewide check-up of evasions of weight fee provisions of the motor vehicle act and the collection of back fees and penalties resulting from alleged evasions, was made today by Will H. Marsh, chief of the division.

Hundreds of trucks will be involved in the check-up, Marsh said, adding that at least \$200,000 would be collected by the state in this manner. New regulations, made by the department, governing the present license renewal period, will make it possible to locate owners who have hitherto evaded payment of the grosser fee by submitting "short weight" certificates, it was stated.

While the law provides that weight fees for trucks be based on the unloaded weight "equipped for service," Marsh said he had learned it had been a custom in the past of many owners and dealers to weigh only the chassis of the vehicle and submit this as the legal weight. "Later, the body and other parts necessary to complete equipment of the truck would be added and the state would thereby be billed out of thousands of dollars," he added.

Prayer Meetings To Be Held Today

The following prayer meetings will be held at 10 o'clock this morning: Mrs. R. W. Downs, 355 South Thirteenth street; Mrs. Mortenson, 155 Sixteenth; Mrs. Golden, 25 Twelfth street; Bumgarner, 459 Tenth; Mrs. Gundrum, 311 Corner Cutting Boulevard and Kearney street; Mrs. Lonsdale, 400 Barrett; Mrs. Patterson, 310 Bissell; Mrs. Lane, 131 Twelfth; Mrs. Johnson, 748 Twenty-sixth; Mrs. Van De Vetter, 826 Seventh street; Mrs. Kinnear, 618 Eighth; Mrs. Slattery, Fifth and Bissell.

Peru Oil Field Bought By U. S. Capitalists

NEW YORK, Feb. 7.—Reports from London are that International Petroleum Company has secured a virtual monopoly upon the rich Peruvian and Ecuadorian oil fields. Although no official statement has ever been released, it is learned that strong American interests, understood to be affiliated with International, have been buying up blocks of Lobitos Oil fields and its subsidiary, Anglo-Ecuadorian Oilfields stock in the London market. This may mark the successful conclusion of efforts to gain control of Lobitos extending over a period of seven years.

Factors in Situation
International Petroleum has long been the dominant factor in the production of oil in Peru. Its only important competitor there has been Lobitos Oilfields, Ltd., a British concern. The latter, however, lacked market outlets, and has been turning its production over to the International under contract.

The Anglo-Ecuadorian Oilfields is a comparatively recent company which has extensive holdings of unusual promise in the virtually untouched fields of Ecuador. While development in this quarter has been retarded by transportation difficulties, this handicap may be shortly eliminated by International's superior facilities for opening up this great area.

Potential Production
Anglo-Ecuadorian Oilfields is said to have five producing wells as the result of its two years of development work. Potential production was reported to be sufficiently encouraging to justify the construction of a railroad line. Other American companies interested in developments in Ecuador are Standard of California, Gulf Oil Corporation, and Leonard Exploration Company. Amazon Corporation of Canada and Mackay-Harmsworth Oil Exploration, Ltd., represent British capital.

Bankers' Shares In S. O. Will Be Sold In Richmond

The following companies comprise the group:

Vacuum Oil, Standard Oil of California, Standard Oil of Indiana, Standard Oil of New Jersey, Standard Oil of New York, Standard Oil of Ohio, Pacific Oil and Gas Co., Prairie Pipe Line Co., Anglo-American Oil Co., Ltd., Imperial Oil Ltd.

During the past 12 years this group have paid their stock owners an average of 21.4 per cent per year and their stock has increased 108 per cent.

Japan Expresses Alarm At U. S. Proposed Bans

TOKYO, Feb. 7.—Viewing with apparent anxiety the increasing restrictions upon Japanese residents in the United States and the proposals now before Congress for further exclusion of Japanese, Foreign Minister K. Matsui issued this exclusive statement to the Associated Press:

"Naturally, Japanese are disturbed over the increasing restrictions upon Japanese residents by the United States and the proposals now before Congress for further exclusion of Japanese. The discriminatory and seemingly relentless opposition of some American to the presence of comparatively few of our people is difficult for us to understand and hard to reconcile, either with our own sense of proper dignity or with the appreciation of fine principles for which Americans generally stand. Japan is anxious for understanding and particularly anxious for American good will. We have gone far in many matters to meet the American viewpoint. Sentiment apart, we fully realize that an accord and understanding with the United States would be of incalculable value to Japan.

"Our continued development and security to a large measure depends upon the maintenance of good relations with America as well as with other nations. This is not merely a temporary need, but, as far as possible to see, Japan needs far in the future. We live by our overseas trade, in which the United States is our greatest customer and our chief source of supplies.

Only Matter at Issue Is Relations
"In the wisdom of a policy of close understanding and co-operation, in which all Japan concurs. Notably good developments have been achieved between Japan and America in recent years. Japan was overwhelmingly gratified, and moreover touched deeply and enduringly by the sympathy and extensive generosity your people displayed in the earthquake disaster. We have only this regrettable issue between us, in which we have never been arbitrary and in which we now do not intend any unreasonable demand, seeking only to obtain fair treatment and consideration for a group of our people residing in America."

Cast Of Stars In "Pleasure Mad" at Macdonald Theatre

One of the most promising pictures of the year is "Pleasure Mad," the Reginald Barker production at the Macdonald theatre tonight. This is Mr. Barker's third picture for the Metro and Louis B. Mayer. The other two were "Hearts Aflame," and "The Eternal Struggle," both of which scored immediate success. Mary Alden, who was recently featured in "The Eagle's Feather," will again appear in her favorite role of a mother, the kind of a fold that won her fame in "The Old Nest." Huntley Gordon, famous for his sterling characterizations in "The Famous Mrs. Fair," and "The Social Code" will play opposite her. Other favorites also, exceptionally well cast, include William Collier, Jr., Norma Shearer, Winifred Bryson and Frederick Truesdell.

"Pleasure Mad" was adapted from Blanche Wright's novel, "The Valley of Content." Dealing with the fortunes and misfortunes of a happy family of moderate means, which is split up by the effects and influences of wealth, this book has proven one of the most popular novels of the last year.

Norbert Brodin, who has done remarkable work behind the camera in many productions, is the camera man, and the scenario is by A. P. Younger, who wrote the screen version of "Fair and Warner," "The Walk-offs," and "The Flirt."

Directors Of Red Cross Chapter To Discuss Finances

W. T. Helms, president of the local chapter of Red Cross, stated yesterday that a meeting of the directors will be held within the next few days to discuss the matter of maintenance of the local chapter. There is a possibility that the Red Cross in Richmond will be disbanded at the end of this year, according to the statement given out by Helms yesterday. In its stead a purely local organization will probably be formed to look after the social work of the community.

The Red Cross roll call this year was conducted by mail and was far from a success. This is one of the important subjects that the directors will have to thresh out at their next meeting.

Helms said yesterday that the local Red Cross has a considerable fund on hand, sufficient to maintain the work here during the current year. He continued, "There is plenty of time to decide what is to be done in 1925. Some subscriptions for the Red Cross are still dribbling in and many will be received during the coming month."

"The work here done here is in most part social work and not the work over which the Red Cross usually has jurisdiction. This work has been carried on under the supervision of Mrs. Rose Silver, Red Cross director here. The work done here during the last year should really come under the duties of the probation officer, but as there is plenty for him to do in other parts of the county, the local chapter of the Red Cross has been devoting its interests to this work."

The great advantage of a city belonging to the Red Cross is that in time of disaster the local chapter can call on the national headquarters for assistance. This city, by giving to the Red Cross here sends money to the national headquarters who in turn distribute it to disaster stricken towns.

SIMPLE WAY TO TAKE OFF FAT

Secret Frats In H. S. Here, Says Principal

Legal high school fraternities which has become statewide disclosures of initiation in Alameda and Oakland, does not exist in the local school, according to the local school authorities.

X. Tucker, principal of the Alameda high school here stated yesterday that the authorities knew of no so-called secret fraternities in the local school.

An investigation was made by the police authorities and this failed to bring to light any of the secret organizations. If any secret orders exist in the local school, they have caused no trouble, nor have they been at all apparent in the school.

Board Reserves Decision On C. of C. Secretary

After an all-day investigation of applicants for the position of secretary-manager of the Richmond Chamber of Commerce, President Harry A. Johnston said late last night that no decision had as yet been reached by the board of directors.

Several applicants appeared in person before the board yesterday, including Guy Wolfe, formerly with the Oakland Chamber of Commerce, and John Holbein, of Walla Walla, Washington.

It is likely that a definite announcement of the choice of the board will be made in the near future, according to Johnston.

Many Changes 'At Macdonald Theatre

Many improvements have been made at the Macdonald theatre, according to W. J. Baker, owner, which have greatly increased the appearance and comfort of the house for theatre goers.

The interior of the theatre has been re-painted, new carpets installed, as well as a vacuum ventilation system which gives a constant flow of air through the house. New projection machines, "Six B-Power" also have been purchased. The organ which is used is an American 40.

The most recent change has been the installation of new lights which take the glare from the screen and make it easy to see in the theatre.

"The lights are blue," it is our desire," said Baker, "to give the public the best in pictures, and we have been boosting our program with that end in view. We believe we have been meeting with approval."

Funeral Held For Former Resident

Last rites were held last Tuesday for the late Harvey E. Sinclair, former Richmond resident, who died at his home in Oakland on February 2. The funeral was held at the Grant Miller undertaking parlors in Oakland.

Sinclair was born in Colorado 23 years ago, and had been in this country a short time when he passed away.

Deceased was the son of C. F. Sinclair, of Oakland and Mrs. E. A. Thomas, of 540 Twenty-second street, Richmond. He is survived by his parents, a brother, George, and a sister, Myrtle Sinclair, of Richmond.

Sinclair was employed while in Richmond as an auto mechanic, and was playing at this trade up to the time of his death.

His death was so sudden that it came as a great shock to his large number of friends in and about Richmond.

The Other Day A Lady Asked Us:

"Why Don't You Hold Sales Like the Other Stores?"

With all the jazzy sales noises about town we thought the question to be a fair one. We were glad to answer the lady.

This is what we told her--

We buy and sell only standard, first-hand goods. We do not handle bankrupt stocks, imperfect goods, seconds, nor other least desirable merchandise.

New goods of thoroughly reliable quality are almost continuously arriving at our store. Nothing remains here long enough to grow old, shop-worn, out of style, extravagant at any price.

We sell for cash. Thus we have the cash to pay for our goods. The large savings thus made are passed on to you.

Our prices are fixed on the goods when they arrive. These prices afford only a moderate profit.

There is no "mark up" here in the beginning to provide room for "mark down" later.

We unfailingly and positively practice at all times exactly the business policy we advertise. That is, the same fair, just and upright treatment alike to all always.

Our selling price is marked in plain figures on every article in our store. That price is the same for all. It maintains until the last of the goods is sold.

Even if we were inclined to carry on jazzy, hip-hurrah sales, which we are not, we could not do so for our prices at all times, are as low as is asked at the so called sales for goods of the same quality.

The tremendous purchasing power provided by the combined requirements of our 475 Department Stores, enables us to quote prices in the beginning and at all times, that are the lowest consistent with new, fresh and thoroughly reliable and dependable goods.

And it is these ideals of business practice that have made possible the unparalleled success and growth of the J. C. Penney Company since its first store was opened in Wyoming in 1902.

When there is a better policy, we will adopt it.

When a customer has once become acquainted with J. C. Penney Company Value, she realizes how needless it is for us to hold a sale. It is then that she appreciates the every-day opportunity which is her's to enjoy here.

The J. C. Penney Co. Aims

to merit your confidence and good will at all times.

CURED OF DROPSY FIVE YEARS AGO—IN FINE HEALTH EVER SINCE

Merced, Calif., Jan. 22, 1924.
To Whom It May Concern—Five years ago I was suffering from a dropsical condition and my stomach was fearfully dilated by gas and water. I could neither lie down nor breathe with comfort, and many were the nights that I had to sit up to get my breath. Some of the physicians by whom I was treated thought that my trouble was due to the heart, but no matter what treatment they administered, I was neither relieved nor otherwise benefited.
Fortunately a friend of mine told me of the wonderful success of the FONG WAN HERBALIST. I took his herbs for only a FEW WEEKS, but was ENTIRELY CURED. This was five years ago, and I have had no ailment of any kind since.
I formerly lived at 447 48th St., Oakland, but am now living in Merced. I am sending this testimonial and my photograph to the FONG WAN HERB CO., to again express to them my happiness over my COMPLETE AND PERMANENT RECOVERY.

POINT COMMERCIAL CLUB MEETS

A meeting of the Point Richmond Commercial club was held last night at the Point in Schrader's store in Washington avenue. Many matters of vital importance to the community were brought up and discussed. One of the most important topics of discussion was the matter of a municipal swimming pool and bath house, which question is to be submitted to the voters again at this year's election.

The club is composed of Point Richmond business men and property owners who are interested in the progress of the community. H. A. Johnston, president of the Richmond Chamber of Commerce was the principal speaker, and told of the aims and ideals of the local chamber, urging support. He also urged support for the Richmond-San Francisco ferry. A. H. Sokey, a representative of the ferry company, also spoke.

WHIST PARTY AT POINT RICHMOND

A very successful whist party was held last night at the Our Lady of Mercy church in Point Richmond. The affair was attended by a crowd of whist players and a very enjoyable evening was spent with the games. Several valuable prizes were awarded to lucky players.

The committee in charge of the party included Mrs. A. McGrohan, Mrs. E. Williams, Mrs. H. O'Gorman, Mrs. J. O'Hara, and Mrs. J. Kallman.

Reed Demands Action In Oil Investigation

WASHINGTON, Feb. 7.—The Sinclair and Doheny oil leases were characterized as the "most gigantic steal of history" by Senator James A. Reed, Democrat, Missouri, in a speech on the floor of the Senate this afternoon. Reed branded Harry F. Sinclair as the "minor burglar" and Edward L. Doheny as having played the "star part" in the "oil steal."

Reed demanded that every man connected with the oil leases be meted "criminal punishment."

"If the confidence of the people in their government is to be preserved, all public servants who betrayed their trust should be brought to the bar of justice at once," Reed declared.

Ousting of Denby is Demanded
He also demanded the ousting of Secretary of the Navy Denby, saying: "All officers who permitted their country to be plundered while they slept at the post should be removed from office."

"First of all we should track down, convict and punish members of that abominable group, who themselves worshipping money, believed that every man had his price."

Reed declared the people "would neither brook mistakes nor forgive lack of foresight."

"On April 7, 1922, Reed said, 'Sinclair, the minor burglar, took away his share of the loot, and on April 25, Doheny, playing the star part, strutted across the stage, boasting his loot to be \$100,000,000. The curtain was drawn down then and the oil season closed.'

"The actors retired, Sinclair to the race tracks, Doheny to his California retreat and Fall to follow innocent rural pursuits. But the odor of crime will escape through the smallest cracks and the smell was detected."

Sulphur Soothes Ugly, Itching Skin

The First Application Makes Skin Cool and Comfortable

If you are suffering from eczema or some other torturing, embarrassing skin trouble, you may quickly be rid of it by using Mentho-Sulphur, declares a noted skin specialist.

This sulphur preparation, because its germ destroying properties, seldom fails to quickly subdue itching, even of very eczema. The first application makes the skin cool and comfortable. Rash and blotches are healed right up. Rowles Mentho-Sulphur is applied like any pleasant cold cream and is perfectly harmless. You can obtain a small jar from any good druggist.

"The Call of the Canyon" Showing At California

Love of extravagance and gaiety—love of a clean life in the open air—these two great conflicting forces battle for supremacy in Paramount's new production, "The Call of the Canyon," in which Richard Dix, Lois Wilson and Margie Daw are featured. The picture comes to the California theater for two days, beginning today, and shows a phase of American life immediately following the great war when the tendency towards extravagance on the part of Americans was defeated by their love of wholesome prosperity.

"The Call of the Canyon" was adapted from the latest story by Zane Grey, whose novels are among the most popular in the United States. It is the second Zane Grey story to be pictured by Paramount.

Victor Fleming, the director, was in daily consultation with Mr. Grey during the making of the picture. Headed by the supporting cast are Noah Berry, Ricardo Cortez and Fred Hunter, three actors at the top of their profession.

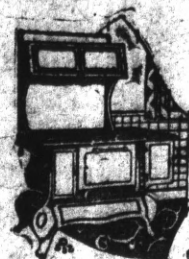

Richard Dix plays the part of a young war veteran named Glenn Kilbourne who returns from France to find his sweetheart, his sweetheart, in the midst of a gay life in New York. Disgusted with the life in the city, Kilbourne leaves Carley to seek his health and renew his faith with mankind in the mountains of Arizona.

While in Arizona he meets Flo Hunter, who falls in love with him. This role is played by Estelle Taylor. Kilbourne and Flo are about to be married when Carley, Carley, arrives in the west, ready to give up her love of luxury for her sweetheart.

Lois Wilson plays the part of Carley and a dramatic scene follows her arrival in Arizona. She wages a battle of wits with Flo for the affections of Kilbourne. The picture is a masterpiece of dramatic scenes which are of great power. The western scenes in "The Call of the Canyon" were filmed in the vicinity of Flagstaff, Ariz., the exact spots described by Zane Grey in his story. The picture shows in a manner never heretofore attempted on the screen, the remarkable contrast between the canyon streets of New York and the real canyons of Arizona.

Some of the most beautiful mountain scenery in Arizona forms the background for the picture. Every effort was made to depict the high standards set by Paramount's first Zane Grey story, "The Last Man."

Other features on the same program: Al Christie presents his little rascals in "Stage Fright," the funniest "Our Gang" comedy ever produced; Kingman, visual news of all the world; Larry F. Canele at the organ, playing a favorite Irish melody.

Lighting Gas Price Will Be Raised

An increase in the price of illuminating gas amounting to 3 cents per 1000 cubic feet will be the result in the Eastbay of the recent decision of the California Railroad Commission. The commission announced yesterday that due to the increase in fuel oil prices, a corresponding increase in the price of illuminating gas is authorized.

Officials of the Pacific Gas and Electric company stated they have not yet been informed of the action of the commission. They said the increase announced to the press by that body would increase the gas price here from 92 cents to 95 per 1000 cubic feet.

The price of gas in California is fixed by the railroad commission and is based on the cost of production. For every unit of increase in the cost of fuel oil a corresponding increase in the price of gas is allowed. The present increase will range from 3 to 8 cents in various parts of the state, and will be effective as of January 22 on meter readings for the month ending February 21. The automatic rate adjustment plan was adopted three years ago. Last year reductions amounting to more than \$2,000,000 were announced.

Program Given At Church Fellowship Meet

Richmond Church Fellowship was the guest of the First Methodist church in Point Richmond last night. The ladies of the church served a very delicious dinner to about 90 members and guests. The honor guests of the evening were John E. Brown, Loren Jones, W. Clark, H. A. Johnston, president of the Chamber of Commerce, and Mayor W. W. Scott.

Loren Jones entertained with a vocal solo and was accompanied at the piano by Mr. Clark. Mayor Scott spoke briefly and asked the help of the Fellowship in the work and problems of the city. H. A. Johnston also spoke and solicited the backing of the organization for the Chamber of Commerce. Brown gave a remarkable talk on "What Is Your Life?" The speakers were introduced by Dr. Baker, who acted as chairman of the evening.

P. M. Sanford, vice-president of the organization, extended an invitation to the members to meet in March at the First Presbyterian church. This will be held Thursday evening, March 6, at the church parlors.

The dinner was attended by a very large number in spite of the weather and was one of the most successful meetings of the present evangelistic campaign.

MR. AND MRS. GREENE HONORED AT LUNCHEON

Mr. and Mrs. John Greene were guests of honor at a special luncheon given by the Women of St. Edmund's Guild yesterday, in honor of their fifty-ninth wedding anniversary. The luncheon was served by members of the Guild at the Guild hall at the church.

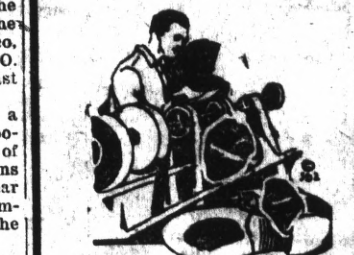

After the luncheon a short business meeting was held at which reports were given by delegates to the convention last week in San Francisco. Mrs. R. Bonham, Mrs. H. E. Oberholzer and Mrs. Henry Hill gave instructive reports on the work of the convention. The remainder of the afternoon was spent sewing on the choir vestments.

An all day meeting of the Guild will be held Thursday, February 14, at the Guild hall.
